

Covenant

Believing that I am a part of the whole people of God, I covenant to be responsible in my actions, abide by the community guidelines, and be open in mind and heart to the teachings and leading of the Holy Spirit. I covenant to live in God's spirit and love. During youth events, we will be living together, youth and adults, in Christian Community. Christian community is based upon love, respect, trust and support. Each of us as a member of the community is important.

As an Ambassador for Jesus Christ, a member of the CUC delegation, and a representative of Columbine United Church of Littleton, Colorado, I Covenant to cooperate with those on this experience and to respect the adult leaders and my peers; to keep my Bible study group and the leaders informed of my medical/physical needs; to be considerate of everyone I meet and travel with; and to abide by the following guidelines for our community:

1. Respect the rules of the community we are in as stated in any laws and regulations.
2. Refrain from the use of alcohol, and other illegal drugs during the trip.
3. No smoking unless written and verbal permission provided by parents.
4. Refrain from inappropriate sexual behavior.
5. Participate in all regularly scheduled activities and honor all meeting times.
6. Wear any required identification (name badge, wristband etc.) as required or requested.
7. Meet with any assigned Bible study/covenant group as scheduled.
8. Follow the curfew and rules as set forth by the leadership and the community we are staying in.
9. Sleep in my assigned room.
10. Be aware of noise levels with the consideration of others in mind including playing all radios and tape/CD decks.
11. Travel off the campus or in certain designated areas only during "free time" and only when accompanied by an adult or by abiding by whatever parameters are set forth by leadership.
12. Refrain from inappropriate language.

As a participant in this event I have read the above covenant and guidelines and do agree to abide by these rules, regulations and conditions. I also agree to abide by the judgment of the group leader and the other adult sponsors in matters regarding my general health and welfare. We are a community based on love, respect, trust, and support, each participant is responsible for their own actions. However, I fully understand that if any member of the community continually does not follow the above covenant in both letter and spirit, and demonstrates a lack of love, respect, trust, or support for themselves, others, or the property of the community, then they may be sent home immediately at the sole discretion of the adult leadership and at parent/participant expense. I will do my best to be an ambassador for Christ and to conduct myself with courtesy and propriety at all times.
